Ideation-Final Project Proj	posal
-----------------------------	-------

Name:	A/	Е

- I can plan a cohesive 10 photograph series that includes my inspiration, conceptual meaning, aesthetic direction and digital manipulation intentions.
- I can write a minimum one page (double spaced, 12pt font) proposal for my final project that answers the following questions:
 - o What inspires you? (feelings, places, people, journeys, memories, artists/art movement, ideas, prior photographic experiences, questions)

O What is your conceptual plan? (What is the big idea, concept or meaning behind your plan?)

0	What is your aesthetic plan? (What principles of composition do you intend to focus on and how, including: contrast, simplicity, rule of thirds, balance, leading lines, repetition, depth and space, framing, focal point, viewpoin.t)	(
0	How do you intend on using Adobe Photoshop (digital manipulation) to alter the content and composition of your photographs?	
		Ė
	What is the title of your final covies?	
0	What is the title of your final series?	
0	What questions or concerns do you have and would you appreciate feedback on before finalizing your series and beginning to photograph it?
